Fairfax Door Style Changed

Effective March 27th, the Bead Edge Fairfax door raised panel is changed to our typical raised panel shape, like Prestige. This change is due to the difficulty we have during our finish process with the current shape. This new raised panel is the typical industry standard for Bead Edge raised panel door style.

42" Chest Vanity Limitation

Effective immediately, our 42" Chest Vanity Models will continue to be available in Premier Collections of Estate, Fireside, Heirloom, Monterey, Nottingham, Ovation and Parkway. Due to production challenges, 42" Chest Models will no longer be available in Ashford, Gentry, Lambiere, and Valencia.

Premier Series Advantages over Royale Series

- Solid Maple Wood English Dovetail Drawer Box.
- Premium Soft Close Full Extension Undermount drawer glides.
- Soft Close doors
- Skirt or captured Toe Board
- Base divider between sink and drawers
- Larger Crown Molding
- Beveled Mirrors in mirrored cabinets and framed mirrors
- More collection, door style and model choices.
