FEATURES

- Maple painted cabinets have door panels of High Density Fiberboard (HDF) to provide a more stable panel. If the collection style has a 5-piece drawer front it will also have an HDF panel.
- Stained cabinets in door styles of Old Town, Shaker and Wilton have door panels of 1/4" Cherry, Cherry Rustic, Maple, or Oak plywood. If the collection has a 5-piece drawer front it will also have a 1/4" plywood panel.
- Solid cherry, cherry rustic, maple or oak wood for Vanity: Prestige style doors, Prestige style drawer fronts, false drawer fronts, face frame, and side moldings.
- Solid cherry, cherry rustic, maple or oak wood for Mirrored Cabinet, Tri-View and light: doors, frames and crown molding.
- Solid cherry, cherry rustic, maple or oak wood Framed Mirrors: face and crown molding.
- Solid cherry, cherry rustic, maple or oak wood Linen Cabinetry: Prestige style doors, Prestige style drawer fronts, false drawer front, face frame, and side molding.
- Quentin, in RTF white, is an exception to the above and has doors, drawer fronts, and light fronts that are Rigid Thermofoil (RTF) over medium density fiberboard (MDF) core.
- Ends of Cherry, Cherry Rustic, Maple and Oak are 1/2" thick and have a wood veneer face and back with an MDF core.
- Backs on vanities, linen cabinets and framed mirrors are 1/8" maple laminate hardboard.
- English dovetailed, 5/8" Baltic Birch 11-ply plywood drawer boxes with 5-piece construction.
- Drawer bottoms are 1/4" birch veneer plywood.
- Full access, undermount, soft close drawer glides with a lifetime guarantee.
- Door hinges are concealed self-closing, fully concealed European style hinges.
- Natural finish interior, shelves and drawers.
- Durable catalyzed varnish finish.
- Tall 33 1/2" height vanity.
- Mirrors are non-bevel
- Crown molding adds 1 1/4" to stated depth and 2 1/2" to stated width for Molding Overlay Construction Collection. Crown molding adds 1/2" to stated depth and 2 1/2" to stated width for Overlay Construction Collections.
